

CRUNCH

INTO POTATO BLISS!

Golden, crispy, and irresistibly creamy, Mishima Korokke are the perfect on-the-go snack. Made with locally grown Mishima Bareisho potatoes, these croquettes are a must-try. Each shop adds its own unique twist, offering flavors and textures found only in Mishima. Light, satisfying, and oh-so-delicious—one bite, and you're hooked!

Grown on Mishima's sun-drenched hillsides, Mishima Bareisho potatoes are hand-harvested for their delicate texture and rich, sweet flavor. Loved by chefs and food lovers alike, these prized May Queen potatoes make Mishima Korokke irresistibly creamy and delicious. One bite, and you'll taste the difference!
